PROFESSIONAL SUMMARY

Founder, Division III varsity athlete, and Data Science and Psychology student graduating 2027 with a client-first mindset and strong communication skills. I have run outreach, screening, and negotiation end to end, managed multiple parallel workstreams under tight deadlines, and leaned on AI-powered tools to raise my output. Gritty and resilient, I thrive in fast-paced, results-oriented environments and roll up my sleeves to make things happen.

EDUCATION

Claremont McKenna College Expected May 2027
B.S. in Psychology and Data Science | Dean's List *Claremont, CA*
Activities: Varsity Tennis (Student-Athlete), Club Basketball, Student-Athlete Advisory Council, Fashion Club

EXPERIENCE

Founder and CEO May 2026 – Present
SEVA Tennis *Los Angeles, CA*

- Ran full-cycle outreach and negotiation: pitched investors, negotiated with suppliers and partners, and closed a ~$35,000 raise through persistent persuasion and relationship-building.
- Managed multiple parallel workstreams end to end — sourcing, production, and marketing — under tight timelines while owning strategy and execution.
- Used AI-powered tools across research and daily workflows to move faster and raise output quality.

Strategy and Operations Intern Jun 2026 – Present
Indie Ridge *Los Angeles, CA*

- Juggle multiple projects in a fast-paced environment, delivering under deadline with tech- and AI-enabled workflows.
- Analyze data and map opportunities to understand market context and inform decisions, and shipped an AI-powered CRM scrappily with limited guidance (retention up ~12%).

Media Consultant and Product Intern May 2025 – Oct 2025
Jeu de Paume *New York, NY*

- Client-facing role: sourced, screened, and negotiated an athlete partnership from first outreach to close for the brand's debut at the 2025 US Open.
- Built and managed relationships with partners and retail accounts, coordinating to hit deadlines.

Marketing and Public Relations Intern Jun 2024 – Aug 2024
Jimmy Choo *Hong Kong, S.A.R.*

- Supported client-facing communications and conducted market research for a global brand; earned a return offer for the Product Design and Development Team.

ACTIVITIES & LEADERSHIP

Junior Class Student Cabinet Mar 2025 – Present
Vice President

- Lead weekly executive board meetings, manage class budget, and serve as liaison between students and administration.

Student-Athlete Advisory Council Sep 2024 – Present
Student Advisor

- Represent student-athletes by advocating for policies and organizing campus-wide events.
